for Youth

NEW DAY

*Serving the needs of young people involved in
or at risk of sex trafficking.*

a program in partnership with

NEW DAY

New Day brings an innovative, adaptable, survivor-centered approach that prioritizes the safety, needs, and rights of youth involved in or at risk of sex trafficking.

Culturally specific services available for youth (12 – 25) include mobile outreach and crisis response, safety planning and wrap-around case management.

Services include:

- Mentoring and advocacy
- 24/7 Crisis Line providing support, safety plans and access to motel vouchers and transportation
- Food, showers, transportation and other basic needs
- Access to shelter and housing
- Resource and referral
- Access to employment & education programs
- Access to LGBTQ specific services and supports
- Support and skills groups
- Prevention & education (in schools and community)
